Look Beyond the Imperfect

BRANDON

TAT'S ALL FOLKS

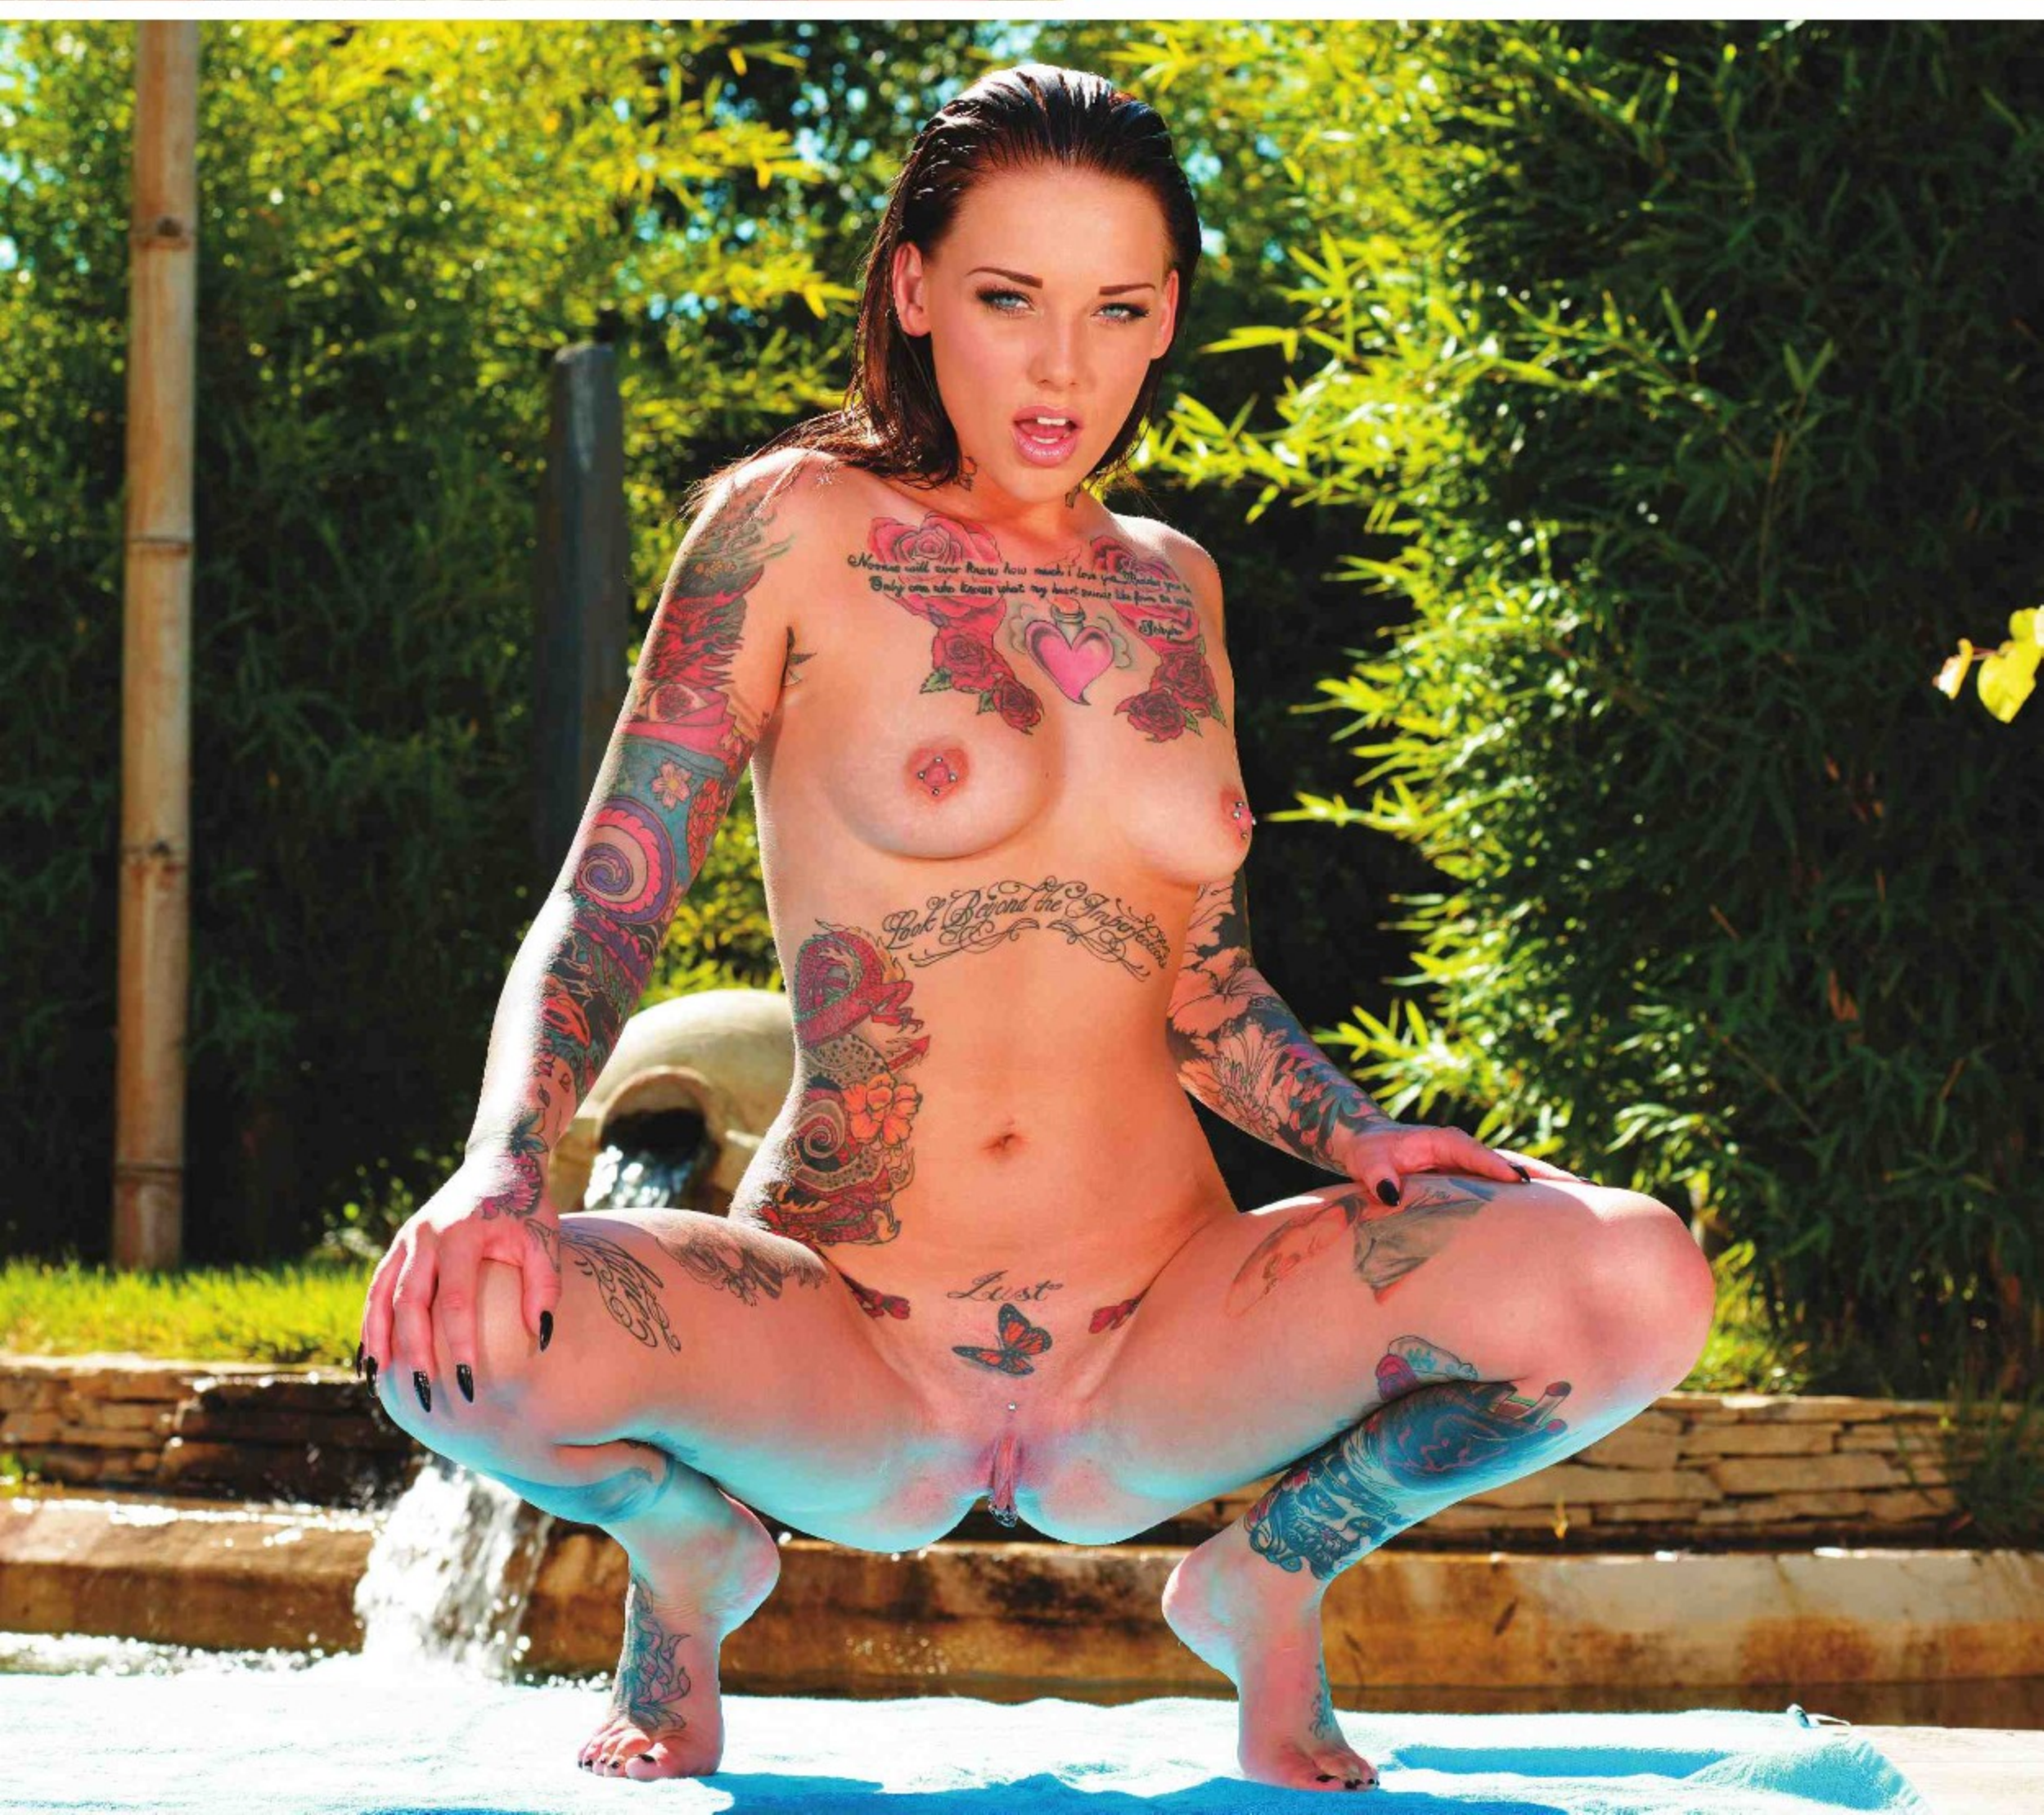

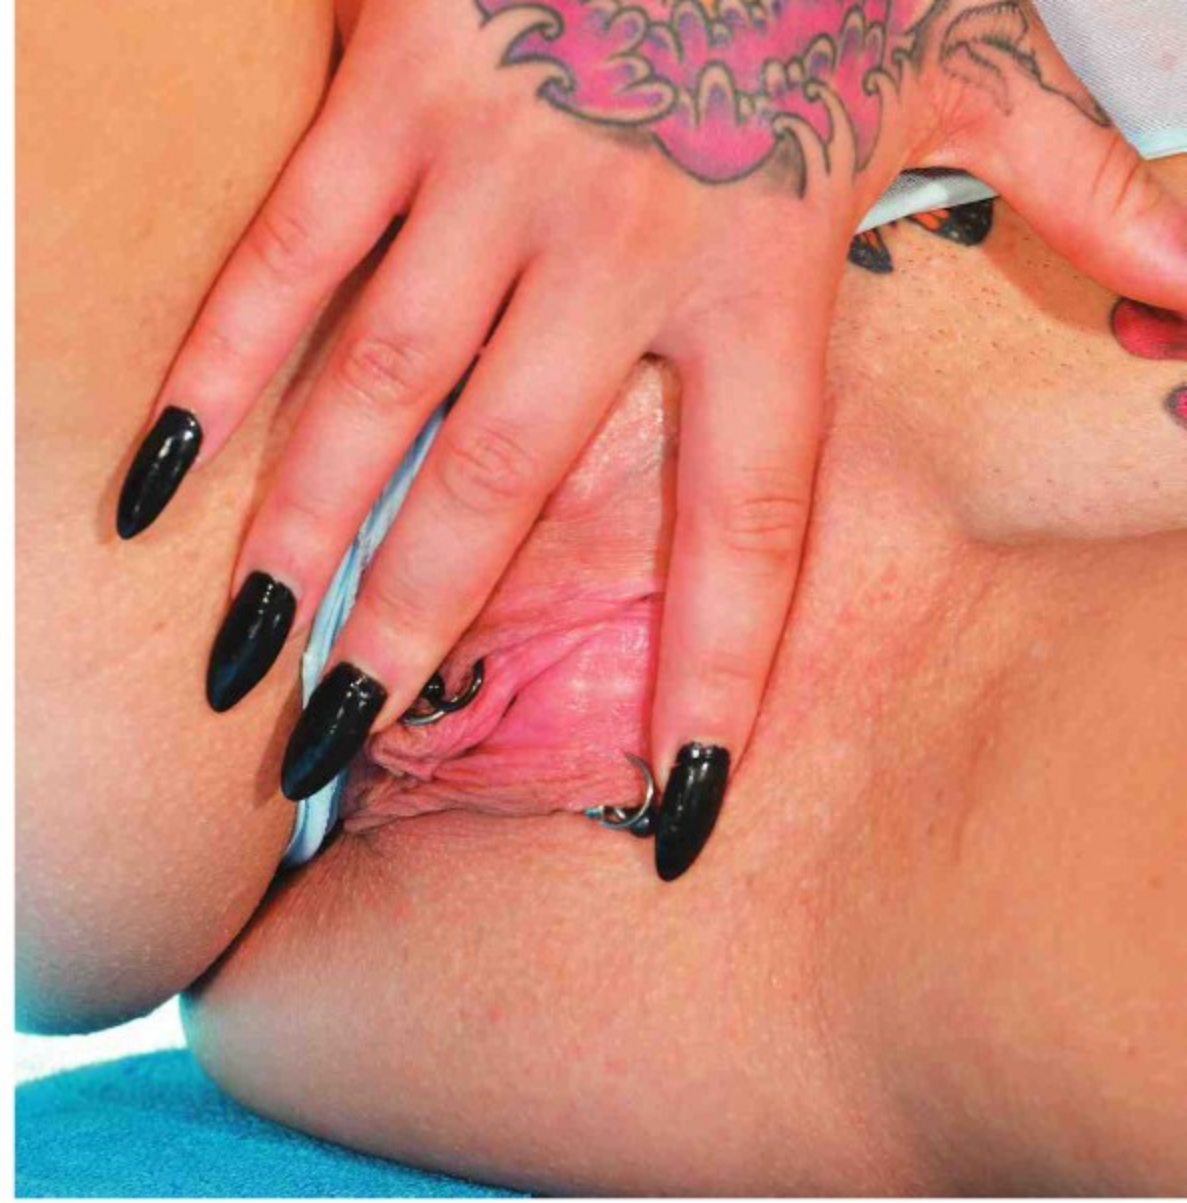

“You know what makes me mad? When people tell me I can’t do something. I left Montana for LA for one reason—to be a model. Everyone was always telling me how beautiful I was. I agreed, and I wanted to do something about it. But then it turned out, they thought I was only gorgeous from the neck up. Hey, I’ve always expressed myself through my love of tattoos. My body is my canvas, and so, from neck to toe, I let my tats speak for me. Nothing wrong with that in this day and age, unless, it turns out, you want to be a model.

“I’m out to change that perspective. And I decided the best way to go about that, before I get into higher-end modeling, is to prove that people want to see me in my truest sense—naked. That’s why I’ve taken up nude modeling. Boy, do I love it!

“Photographers who specialize in nudes seem to be less critical than do their fashion counterparts. They’re willing to give you a chance if they think you’ve got what it takes. I’ve got what it takes. When I pose nude, I feel free, like I can spread my wings like a bird and soar skyward. Except I spread my pussylips and open wide to make men happy. Hell, it’s an even more satisfying form of expression than tattoos. I wish I could ink the inside of my pussy to really speak my ‘mind.’ But posing is good enough for now. In fact, I’m so happy that I might not even try to get into high fashion. I’ll let my body speak for itself!”

HIGH SOCIETY PRESENTS ON THE SET OF...

NIKKI BENZ *Jungle Fever*

By By Rob Perez

ALL IMAGES COURTESY OF JULES JORDAN

EXCLUSIVE

High Society recently spoke with platinum blonde porn goddess Nikki Benz about her current big-budget gonzo epic, *Nikki Benz Jungle Fever*. A co-collaboration between her and award winning director Jules Jordan, Nikki performs in her first interracial scenes, six in total in her showcase feature, including a rare anal scene with Sean Michaels. After 11 years in the business, Nikki explains she waited so long to do interracial because as a contract girl for most of that time, the studios weren't interested in shooting interracial. Between contracts, even as a freelance performer Nikki still found it difficult to find studios to shoot her in an interracial scene. "Then I approached Jules and we did it with a big splash," said Nikki.

Working with arguably the top Black male talent in the business, Nikki handpicked many of the performers in *Jungle Fever*, but was also open to hearing who Jules and her friend Lisa Ann had in mind to be included in this project. "I was open to suggestions because, of course I knew who Lexington Steele was, of course I knew who Sean Michaels was but, for example, my very first interracial scene was with Flash Brown. I didn't know about him and to me he was new even though he's been in the industry I think, three years. But to me he was new and Jules suggested him. I said yes. I checked out his Twitter and I

34591

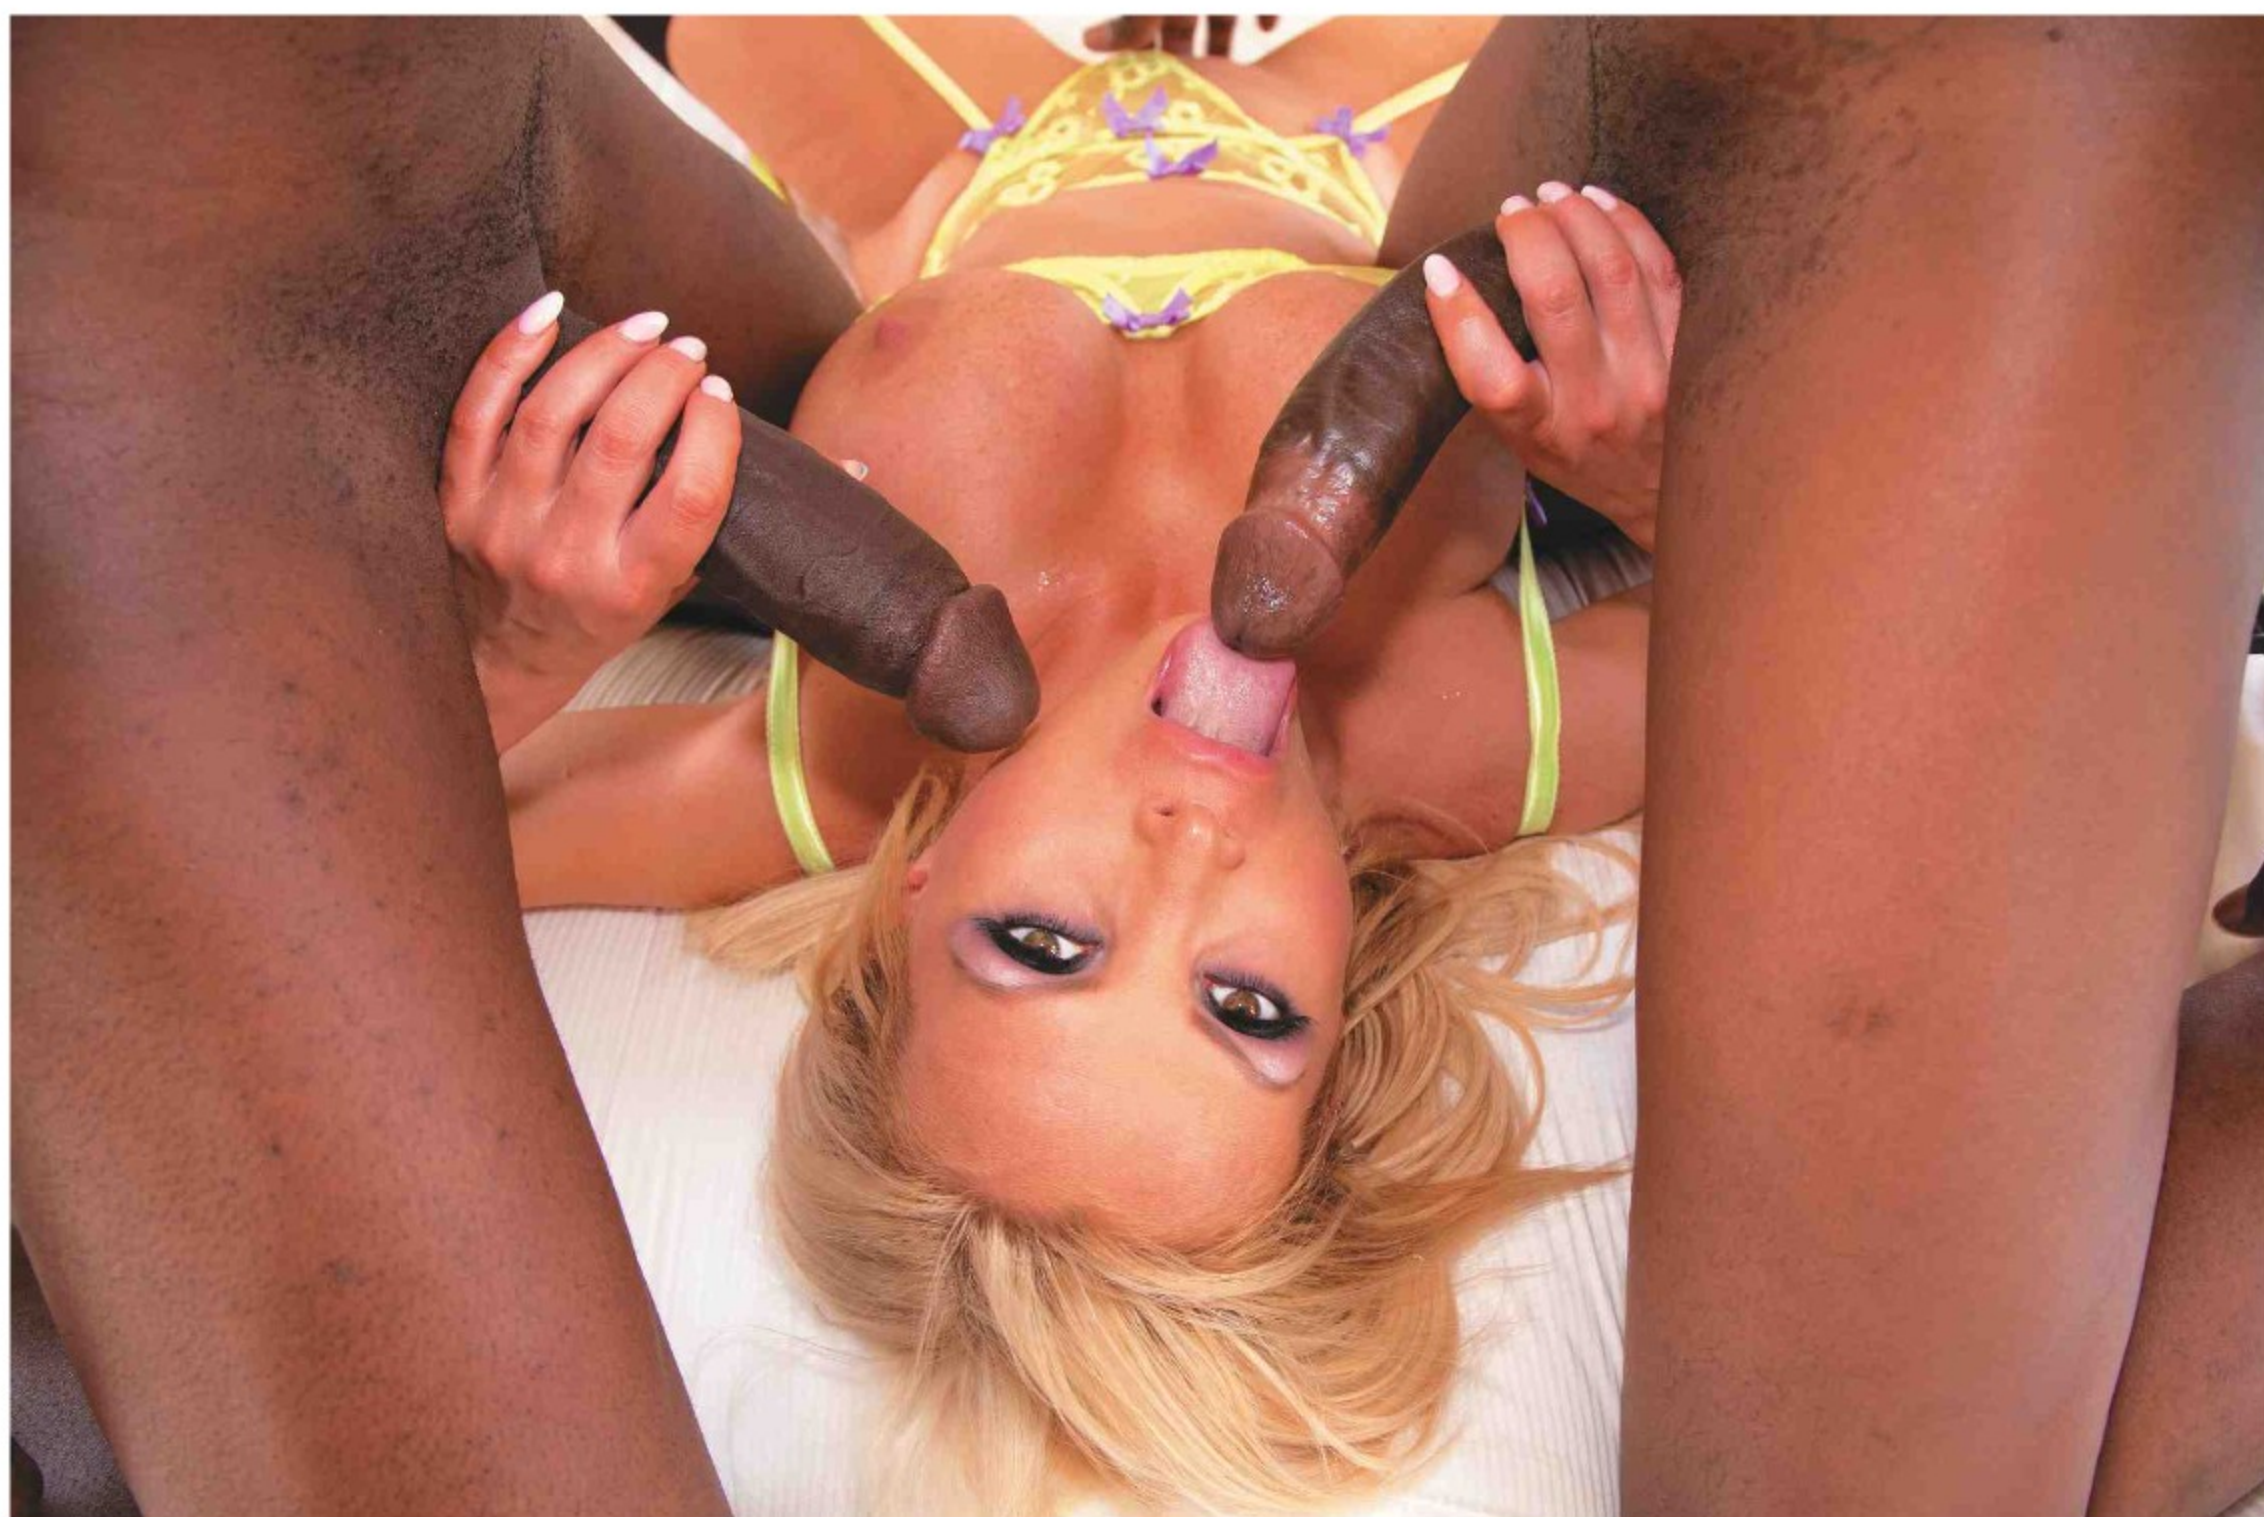

thought he was gorgeous, and I wanted him to be in this movie. I even called Lisa Ann and I asked her for help. I asked her for some of her favorite performers and she named a few. I actually used them for the movie.

"Wesley Pipes was her pick. She suggested a few more but I couldn't fit everybody in this movie. Originally this movie was supposed to be five scenes and after we shot our last scene, I called Jules and said, 'I would feel better if I did one more scene. I just want it to be, not just an average, five scene movie.' I wanted to have something extra and he agreed. That's when I shot a scene with Wesley Pipes and Sean Michaels. It was a hip-hop themed scene which I love doing."

In addition to performing interracial, Nikki also performs a rare anal scene in this six scene showcase. That act was awarded to none other than veteran cocksman Sean Michaels. "He made me cum so many times during the anal. I wish you could see me right now, I'm getting all flustered.

It was definitely one of my favorite scenes. I just love him. There was no hesitation working with him for anal. I picked him to do my anal scene with and I loved it. He is one of my favorite performers and I wished I would've worked with him sooner. I just feel I waited too long to work with him. Sean Michaels is amazing. He's the only performer who got to do two scenes with me in this movie. I loved him that much."

Lexington Steele has the pleasure of playing with Nikki's fine, female form and after sampling Nikki's tits, he places his 12" cock between them before Nikki takes his cock and glides his stiff Black member in her sweet, tasty looking pussy. Nikki is then riding on Lex's monster cock in cowgirl and reverse cowgirl. After giving it another good suck, Lex bangs Nikki hard in mish before he fires off a load on Nikki's face. That sets the tone for Nikki and Jovan Jordan, in which Nikki is wearing a white, porno-themed wedding outfit, the kind that leaves nothing to the imagination. As

the two head upstairs, the newlyweds waste no time as Nikki works her way down to give Jovan head. Spending a good amount of quality knobbing on his cock, Jovan then pins Nikki down and thrusts his Black member into Nikki in mish for a good long hard pussy pounding. After pulling off Nikki's thong, she hops on his cock again for a cowgirl ride. Before finishing on her Jovan licks Nikki's ass in a closing 69 before he targets her mouth for a big pop shot.

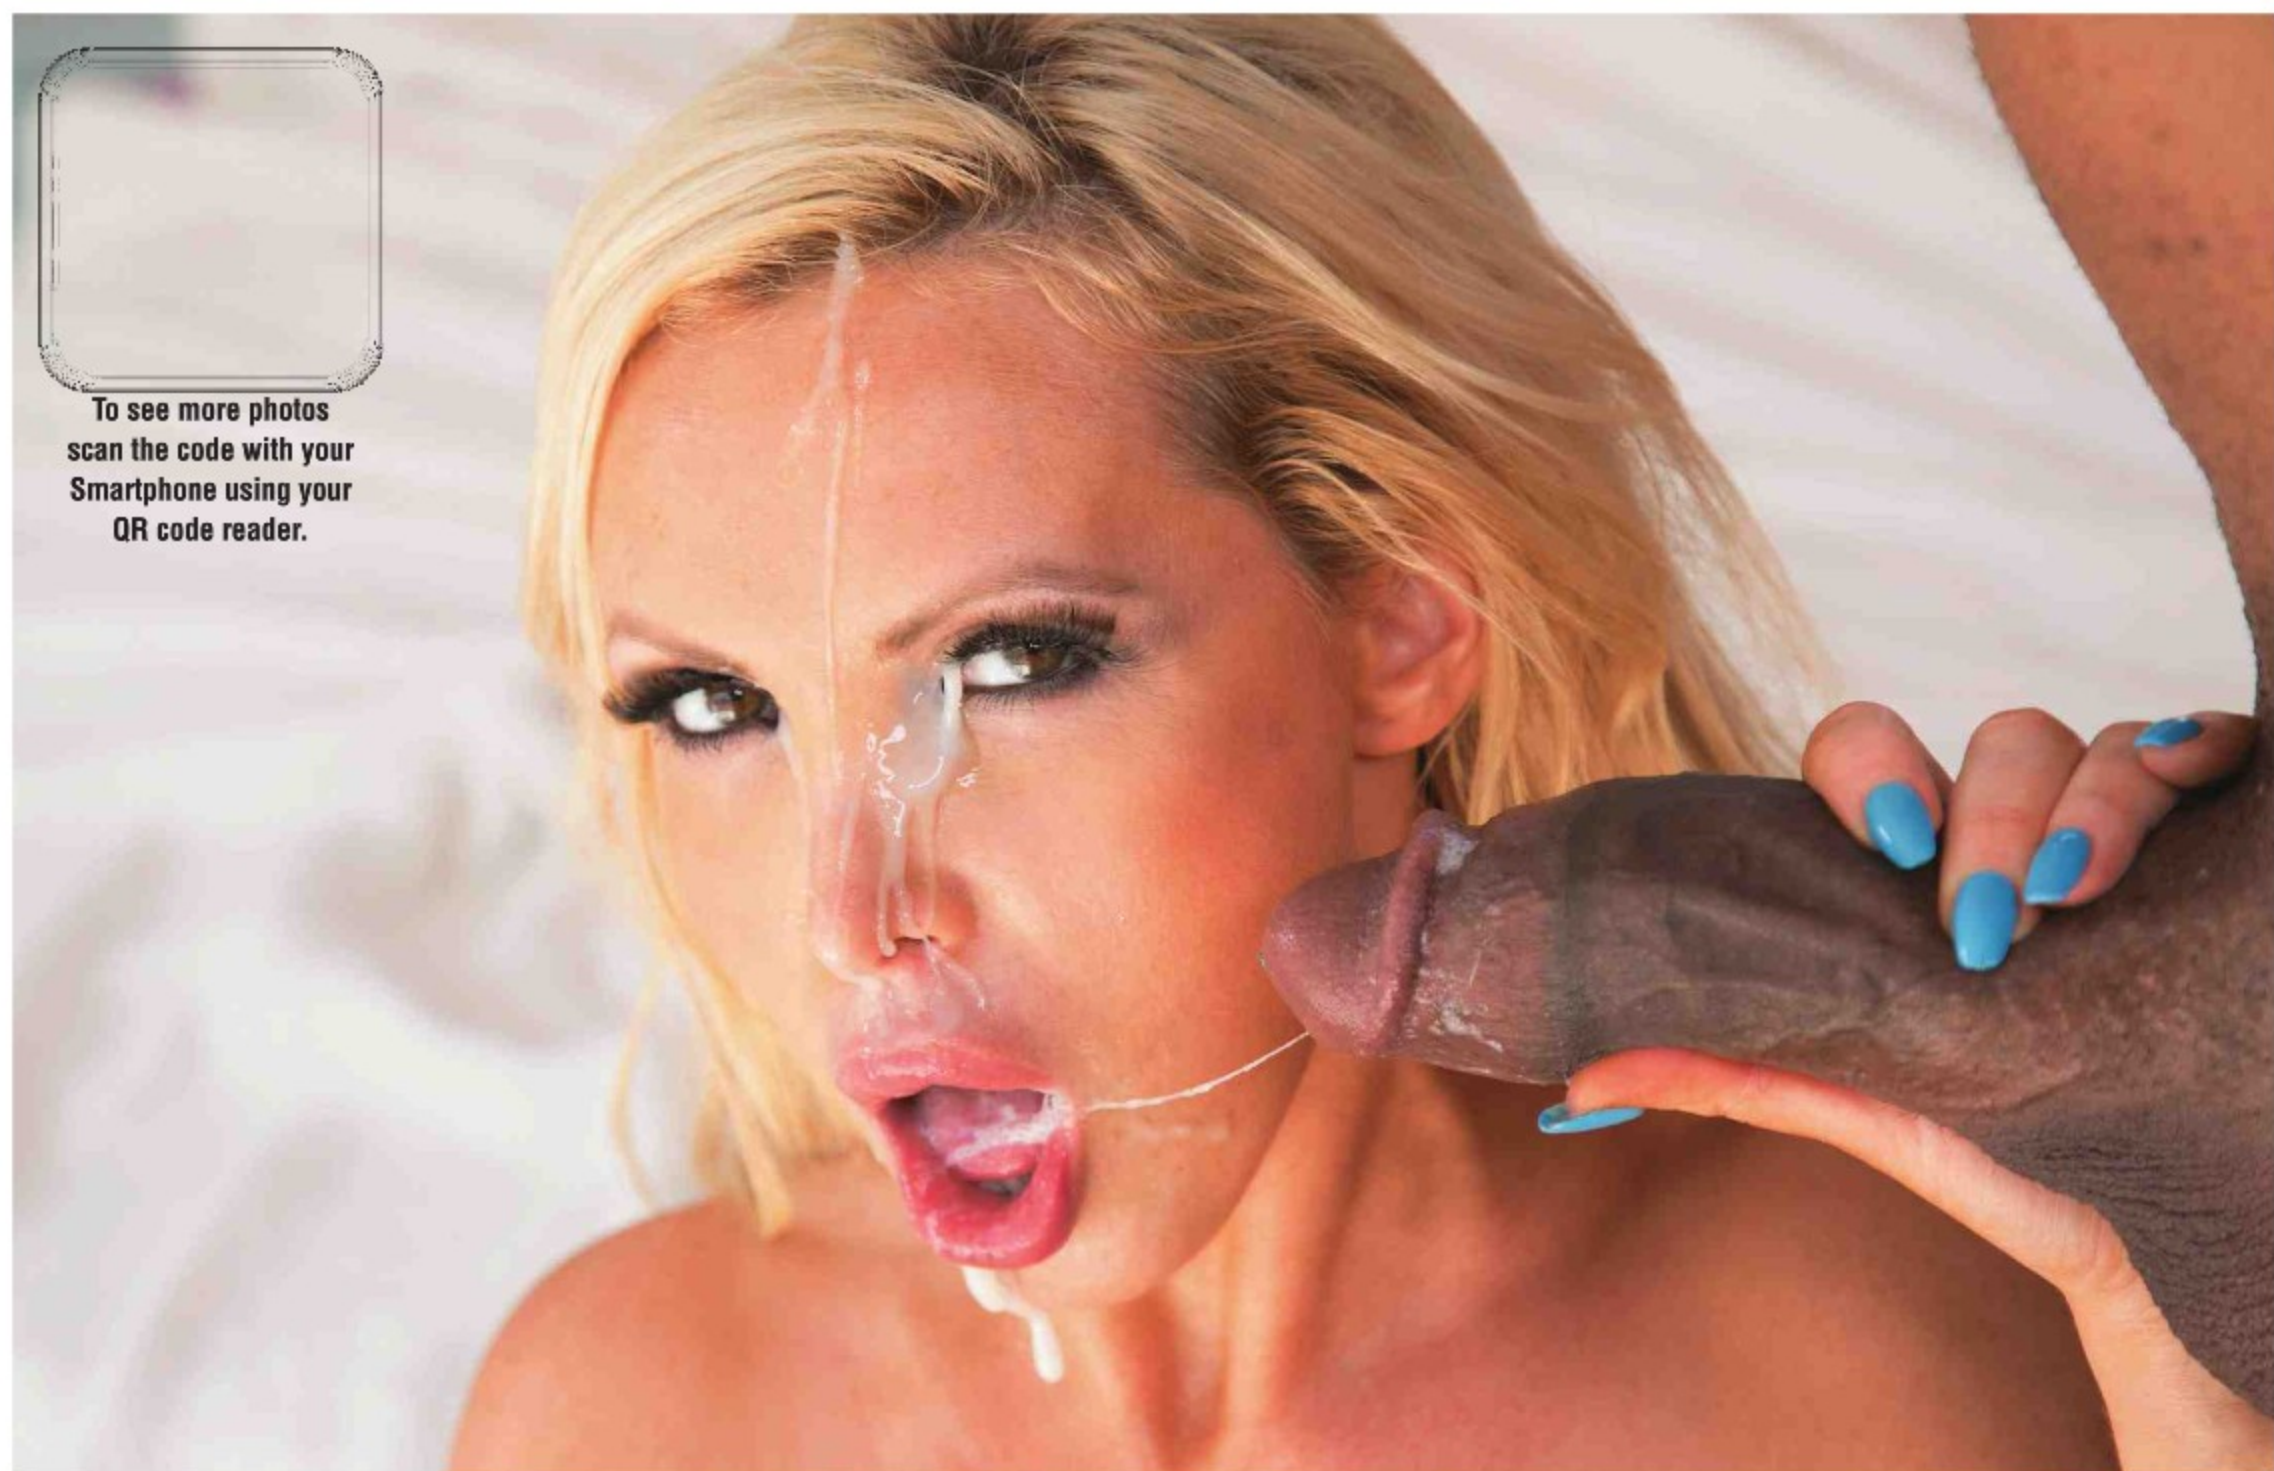

In a hot pink bikini, Sean gets worked up as Nikki drops to her knees and starts sucking off Sean's slender long love muscle. She does her best to throat his entire pipe, pushing herself to the limit before Sean samples a little bit of Nikki's holes then tapping her pussy by the pool. Nikki instantly creams with each penetrating stroke of Sean's cock, moaning the entire time Sean is in her pussy. Nikki then demands Sean to fuck her ass which he does and practically wrecks it by scene's end. Nikki again creams endlessly throughout the anal, then turning around and cleaning her ass juices off of his cock before Sean drains his meat all over her face. That's followed by an exceptional, vag only threesome with Jason Brown and Rob Piper, who simply go all out on the white princess of porn who's blindfolded at first but once they remove it, Nikki is captivated by their large fuck sticks. She double sucks them both off and takes on both fuckers effortlessly, clearly showing what a pro Nikki is in handling two big cocks simultaneously, before being awarded with a double load on her face.

Dressed conservatively, for porn that is, in sexy office wear which includes a shirt showing off plenty of cleavage and a skirt that shows Nikki wearing nothing underneath, she helps dry off Flash Brown when he comes out of the shower and starts going downtown on his Black cock. Nikki then strips out of her constrictive attire and Flash eats Nikki's pussy briefly before laying her on her back and fucks her in mish. Nikki keeps the fun going on by riding Flash in cowgirl before going back to mish where Flash spills a big load on Nikki, who makes sure to drain every bit of cum from his balls. And before all is said and done, Nikki returns one final time to take on two more big dicks. Dressed as a white Hip-Hop hottie, Sean Michaels and Wesley Pipes get their boners ready after seeing Nikki in her tight booty shorts and sparkling bra. Again, Nikki's blowjob skills are pushed to the limit as they both nearly face-fuck their Hip-Hop vixen before they pound that sweet white pussy. Both guys manhandle Nikki to the point she starts squirting. The guys definitely hit that pussy good and hard be-

fore popping their loads all over Nikki in a perfect ending closing scene to this interracial epic.

Don't expect this to be the last time you see Nikki doing hardcore as she has more hot scenes she wants to shoot in the future. "This year I would love to do more interracial scenes. I have to be careful how I [say] this but double penetration has always been a fantasy of mine. I think it looks really hot when a girl does it, and I don't know if I'll do it but I think it looks hot. It's out there; it's something I haven't done. I just don't know if I'll ever do it but the fact that I have an option to do that is great!"

SARA, JEWEL
& IVORY

MASTER PIECES (OF ASS)

34587

“In the ‘old days,’ my friends Jewel, Ivory and myself would be called bohemians or hippies. Hey, we’re young, wild, unfiltered and, most of all, uninhibited. We’re also struggling artists. I help run an art gallery. Sometimes, though, the most precious works are not on display for the public.

“After closing hours, sometimes the three of us hang out; sometimes, we even get naked. When that happens, all hell breaks loose. The sight of each other’s luscious bodies is all the impetus needed for an all-out orgy. The best is when my two blonde buddies and I are locked together in a tongue-in-pussy-in-pussy daisy chain. That’s a human masterpiece that not even Matisse could have equaled.

“Moans and groans bounce off the walls of the gallery as we lick each other’s wet cunts. Often, fingers enter the picture. Sometimes, assholes get probed and prodded. The scent of aroused pussy wafts over the room. And we go on and on.

“We’ve thought about charging admission for our special ‘exhibit.’ Hell, we could become rich in no time flat. Lots of horny guys around, you know. Of course, the gallery owner might not like that. So we’re content to continue this form of self-expression. We may still be struggling artists, but at least we’re sexually satisfied ones!”

“When I told my boyfriend, Trent that I had the seven-month itch, did he get mad? No. I got he me another guy to work me over. I had my eye on Lance for quite awhile. He worked in the same company, though not in the same department. He was a hot guy. I don’t often indulge my “wild side”, but when I do, I make sure the guy on the receiving end of my lovemaking efforts is worth the attention. Lance surely was.

“One day, at closing time, I not-so accidentally bumped into him in the elevator. He responded to my flirting and we went out for a drink. That’s when I told him about Trent. He said it had been a long time since he had a threesome and it sounded really ‘cool.’ The rest is orgasm history.

“The three of us are now regular playmates. Lance is quite taken with my sweet, wet pussy. The best is when he plows me doggie style, while I suck Trent’s big fat cock. Then we usually change positions. He likes it every which way, including shoving it in my bung—which makes Trent super-happy. Lance licks my pussy in the most inspired of ways while getting my mouth stuffed. Sometimes I even suck both dicks at the same time. The possibilities are endless, and we’re still exploring each other. One thing is for sure, though. The best is yet to come. Maybe add another girl!

SHAY LAUREN

STAR APPEAL

34588

“The one comment I hear from most folks is that I have a unique look about me. Like an actress from the Golden Age of movies back in the ‘50s. Some people say I look like Marilyn Monroe or Betty Grable. I’m not really too up on those people so I Googled them. I must admit I do sort of resemble them. Except I’d like to think I bring a Millennial edge to the table. Especially when it comes to being sexy.

“A movie buff/photographer friend of mine wanted me to model for him. Of course, being a free spirit, I wanted to be nude. He told me I made a great model. I think I tainted his opinion when I opened my pussy wide and pulled my lips apart. I got very wet posing and I could see a tent form in his pants. He made me up to look like one of those movie stars I referenced and he kept on telling me I would have been great as a combination porn star/legit actress if they had such a thing back then.

“Actually, I now have the fever to pose nude. I might just keep on modeling and showing off my body, from tits to pussy, for all to see. I might even try my luck in Hollywood. I hear that, if you don’t mind spreading your cunt for producers, you can go a long way. I definitely don’t mind opening wide. Who knows, I might just parlay my ‘special’ look into a big career—sort of a new Golden Age for my Golden Pussy. Watch for me!”

Do you think they had wild sex back in the day? You know when Hollywood was really Hollywood and movie stars were bigger than life. Well, I'll bet you things were actually wilder than they are now. If I could, I would love to travel back in time and suck Tyrone Power's dick! Get laid by Douglas Fairbanks Jr. Or maybe lie in bed with Olivia de Havilland and suck her pretty pussy until she came like the super hot screen star starlet that she was!

Just thinking about it gets me wetter than Esther Williams bikini bottom after a swim in Clark Gable's pool and we all know what went on in there when the sun went down!

Maybe tonight I'll head to one of those old style night clubs in LA and look for some mature gentleman to fuck me like they did in the good ole days!

Looking back in lust,

Shay

A GIRL IN KNEAD

34541

“L ife sure can throw you curves. As a junior executive for an advertising company, I was out of town on my first business trip. Fresh out of college, I wanted to prove myself. So, even though, I love to party hearty, I had decided to keep on the straight and narrow while away. Somehow, that didn't happen.

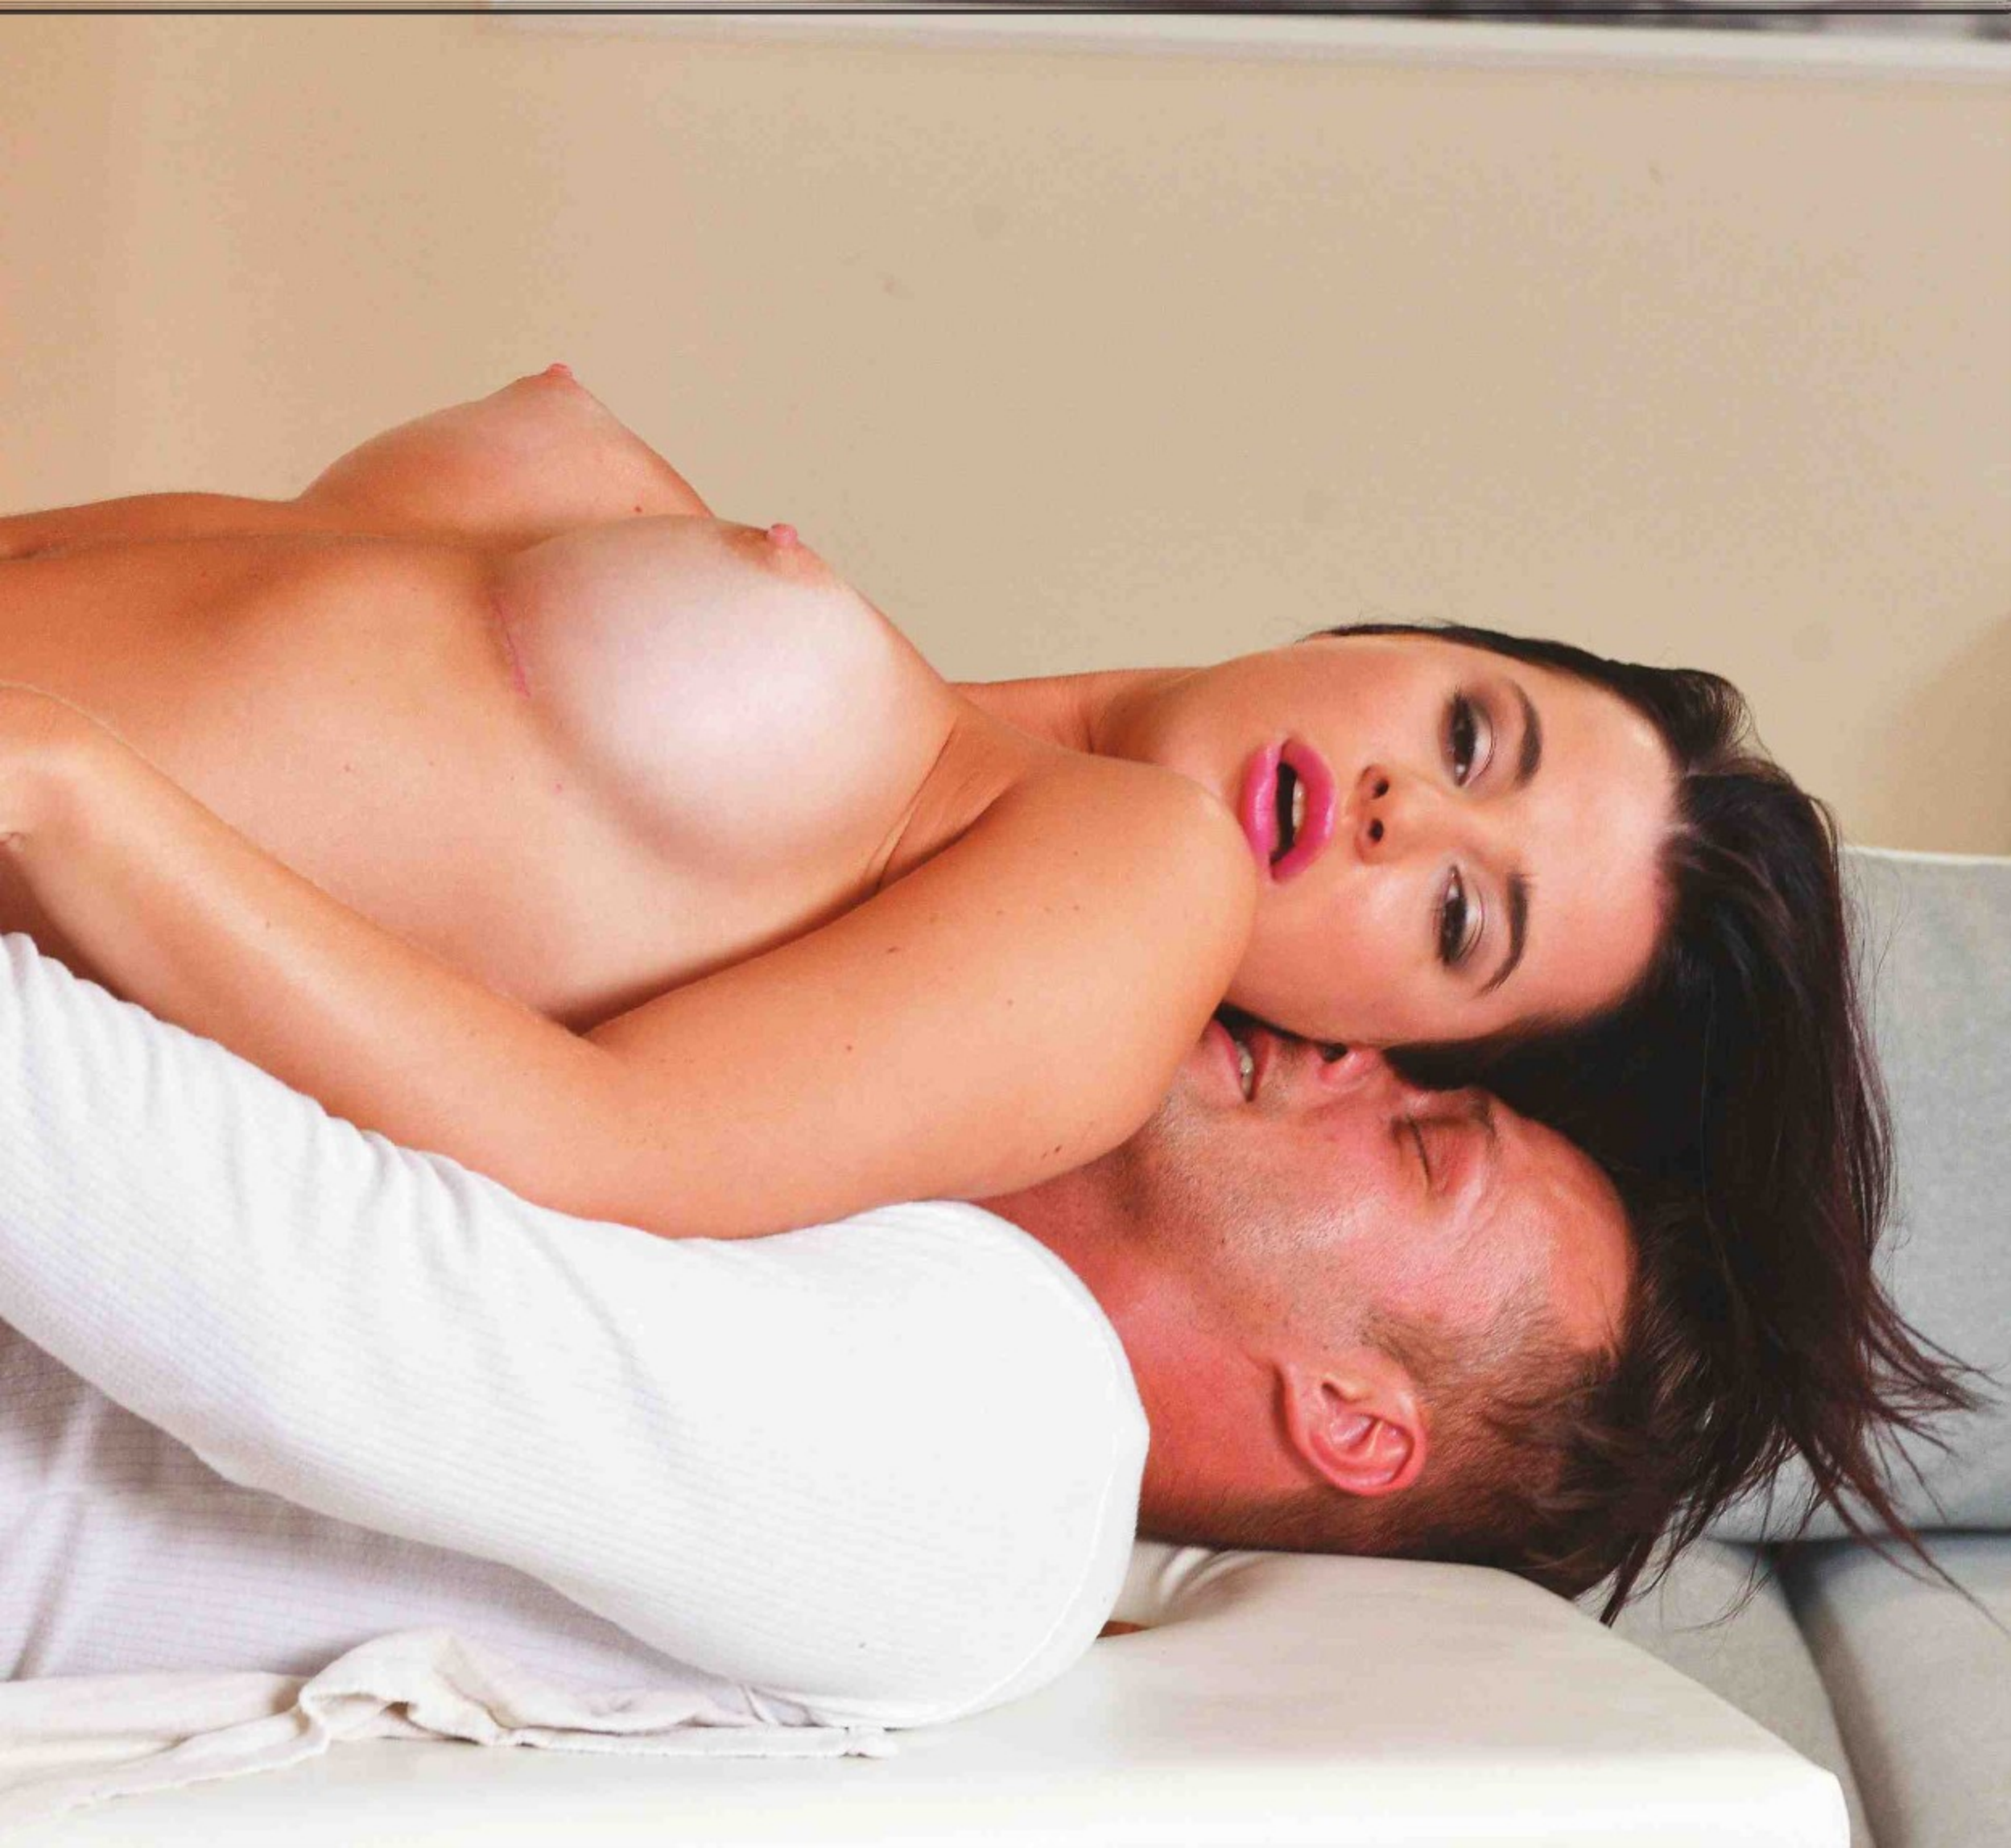

“On the morning before my very first important business meeting I was very tense, so I set up an in-room appointment for a massage. When a hunky-looking guy knocked on the door and came in with his massage table, I was calm. But when he told me to disrobe and lie down, I started getting a little anxious. Once naked and on the table, I felt better—especially when his strong hands began kneading my tense muscles. But when I felt what seemed like a very hard cock denting my buttocks as he leaned over to massage me, I lost my cool.

“I guess I forgot to mention that I'm a dick-crazed nympho. When a prick comes close, I can't help myself. So when I leaped up and began unbuckling my masseuse's pants, I think he was a bit taken aback. But he went with the flow. He had a fantastic piece of flesh—big, thick, throbbing and very suckable. And suck it I did. Yes, I also fucked it. He came and I came. And by the time we were finished, I was no longer tense or anxious. I felt great. And the meeting turned out very satisfactory. I can't wait for my next business trip—or my next massage!”

JANET JOY

SPREADING JOY

34586

“Hi guys—and girls. Janet Joy here. Just wanted to give all my fans a shout out. Plus, I thought you might enjoy seeing some new hot shots of me. You know how much I enjoy showing off, whether in photographs or making the super-hot XXX videos I’m famous—maybe I should say infamous (ha ha)—for. If you’re not familiar with me, first of all, shame on you, but let me fill you in. I came to the US from Hungary, where I started my career. From the first time I appeared before the camera, I was hooked. My pussy began to water—and it’s never stopped. I gained more fame in America, and I’m especially well known for making anal-oriented videos.

“Yup, my asshole is special. It loves to be probed, prodded and poked. It takes training to be an Anal Gold Medalist. I make sure to keep it in shape at all times. That means using fun toys to keep it plugged and open. I love to finger my wet pussy while shoving a big dildo up my asshole. The deeper I push the dildo, my wetter my cunt gets. I can have a super orgasm this way. The same way I can cum when a guy ass-fucks me, whether on camera or in real life. I think my clit might be connected to my anus because I have wild climaxes whenever something is in my ass.

“I hope you all enjoy these pictures and that you’ll watch me in action. Knowing that my fans are getting off gets me off. Keep watching and I’ll keep fucking. Love ya!”

ROMI RAIN DARKSIDE

THE HIGH SOCIETY INTERVIEW

Q&A by PGR

Porn performers come and go with few leaving a mark in this industry. Jules Jordan is a man who is an expert at knowing which girls will leave the industry with an indelible mark and for his fourth *Darkside* film he has bestowed that honor to the vivacious Romi Rain in *Romi Rain Darkside*.

It was only a year ago when Romi entered the business, a brunette Italian beauty with sass but also lots of class, elegance and a voracious sexual appetite, that one of a kind girl chosen to be showcased in Jordan's epic *Darkside* series. To date, Jordan has only given the honor to leading ladies Jenna Haze, Gina Lynn, Alexis Ford; exceptional performers who well-earned their *Darkside* status. Romi has earned it by taking the breath away from critics and fellow performers whom all say Romi is one of the most exciting performers in porn today. And that's what we at High Society have always brought to you, the very best most exciting performers today. Romi Rain fits that bill very well.

How excited were you when Jules decided to film a showcase around you?

So excited! Jules and I started talking about shooting a *Darkside* movie with me to showcase some firsts and act out a few fun ideas at last year's Adult Entertainment Expo when I was signing for him. We were going back and forth for a while, about what we both wanted to do and how we could make it some of the craziest and best scenes that I've done so far in my career. Jules had great ideas and we really bounced off of each other on what we wanted the movie to include; he has a dirty mind like me so it was actually pretty easy figuring things out but the timing had to be right. Once we got going we shot everything within a month.

Tell High Society about all the firsts you have in this film?

I have my first anal sex scene with Manuel Ferrara, I was body painted as a tiger and the theme was that I was his wild "pet".

I shoot my first interracial with Lexington Steele in a scene that starts with slow motion shots of me dancing in a pool's waterfall from the view of a flying drone.

My first Boy Boy Girl scene was with two "servants of the Lord" who came

knocking on my door at just the right (or wrong) time and I give them a reason to be thankful that day. [Laughs]

I have a six man blowbang, the concept I thought was really cool and actually all Jules' idea; a lonely horny woman masturbating in a house of glass falls asleep and is awakened when six men surround her in darkness with flashlights on their heads as the only light. It was intense and so much fun!

How intense did the blowbang get and can you talk more about that in-

teresting scenario with the guys wearing helmet lights? Was that a fantasy of yours or something you and Jules talked about doing?

We threw around a few ideas about how the blowbang could go for a bit, and then Jules had this really cool home invasion idea. I really liked the concept because it's one of those where you could play off a lot of different emotions, I liked how I was caught off guard and a little submissive at first, then it quickly went into me being the aggressor, almost attacking and begging them even more than they were coming at me. I like push-pull scenes

when it comes to intense sex. The helmet lights were disorienting in a good way; I couldn't really tell who was who so I was just going at everyone, sharing my energy and letting them all give me what they got. [Laughs]

Overall, how would you describe the entire experience of filming *Darkside*?

I'm still taking it all in to be honest; it was such a good experience and one that I had thought about for a long time. It's fantastic and flattering to see it come into fruition. I saw *Romi Rain Darkside* on the shelves for the first time in an adult shop the other day and it was awesome. [Laughs] I'm especially proud of this movie because there really is (hopefully) something for everyone. My al-

ways supportive fans should dig it and I might even be able to convert some new folks to the dark side.

“What do you do when everyone thinks

you're the perfect couple? Prove them right, I say. My boyfriend, Viktor, and I have it going on. Everyone who sees us together says the same thing: we look like Ken and Barbie. He's got the body of a Greek god and the face of a movie star (Brad Pitt, not Seth Rogen). I look like I stepped out of the pages of a high fashion magazine. We're both young professionals with high-paying jobs, a luxury apartment and a cool sports car. In short, we look great and have everything. Above all, we have one thing not too many people realize.

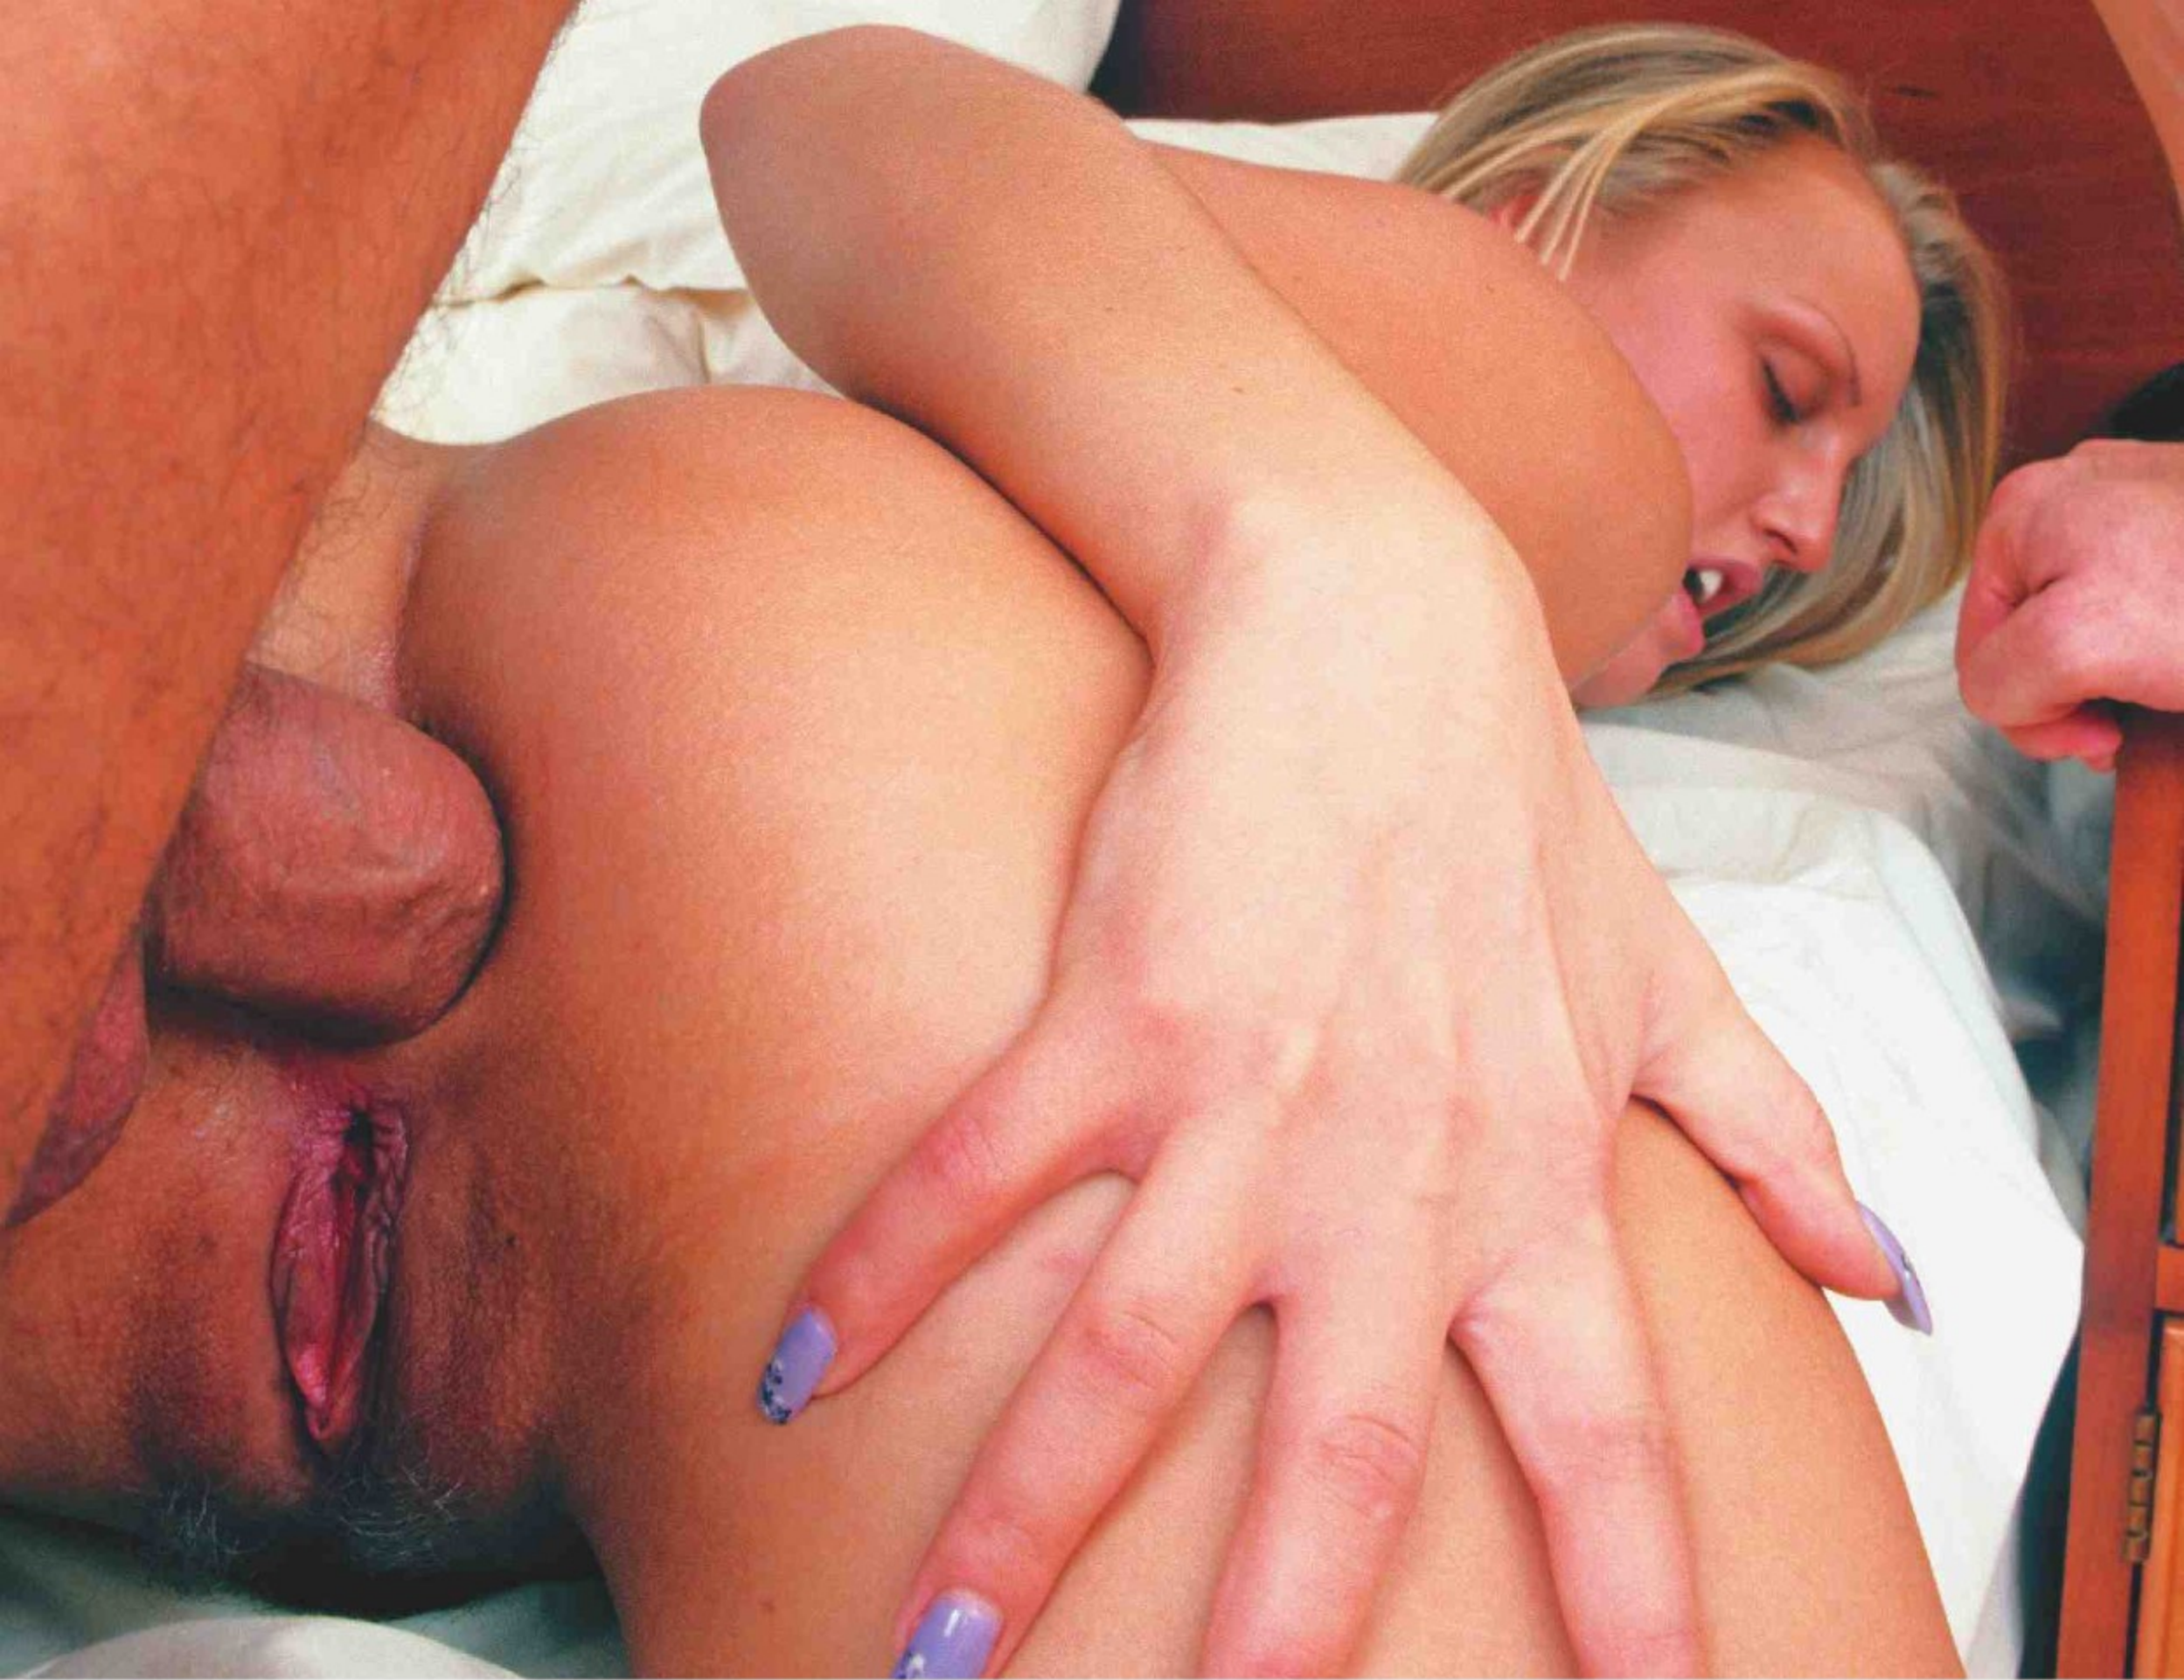

"The two of us share the hottest sex life imaginable. Talk about never a dull moment. Vick's cock is made of steel. It's always hard and he never gets tired. When he fucks my molten-hot pussy, sparks literally fly. Our foreplay lasts longer than some marriages. His tongue has a life of its own. I never fail to orgasm when he licks my pussy. And when I suck his dick, he tells me that my throat feels like it's made of velvet. We're still experimenting with different positions and I'm even thinking of writing a New Age Kama Sutra, based on our sex life together.

"I'd like to say it's not easy being perfect, but that's not exactly true. We can't help being beautiful and living scorching lives. It's who we are. So don't be jealous, just be happy for us. Those who can do, those who can't live vicariously!"
